

CCISD Show Updates & Changes 2020- 2021

All students and parents need to make sure you view the FULL CCISD Show rules and the FULL Ag Facilities rules, these are just new or changed items for this year.

Show Rules:

1. Animal selection for all species will be at the WEST BARN this year
2. You can purchase your animal and pay facility pen rent online this year- make sure you select the correct animal you intend to purchase. There is a QR code and website in the Show Rules
3. Ag Mechanics will be the only Non-Animal entries this year
4. There is a "Student Checklist" on page 10 of the Show rules please read through it and make sure all are taken care of by the 17th
5. If your animal loses its tag you must notify your advisor immediately
6. Rabbits will be validated in December at the WEST BARN this year
7. Showmanship will be awarded a buckle only
8. Ag Mechanics:
 - a. Suggested expenditure cap \$200
 - b. Metal division
 - i. Must fit fully inside a 3' x 3' x 3' box
 - ii. Fire pit or Cowboy cooker ONLY
 - c. Wood division
 - i. Standard household furniture dimensions
 - ii. Bench, table, or chair ONLY
9. Sale:
 - a. There will not be an in person live auction, we will host an online sale/presale
 - b. This year all projects will be targeted to be sold upon final check in of all entries
 - c. Projects will be sold on a presale basis online until 1/20/21
 - d. There are targeted prices listed on page 23
 - e. Can people spend over this amount- yes, in the form of add ons
 - f. The base rate is what we are selling all projects for
 - g. Grand and Reserve will include the base price and a premium
 - h. There is no guarantee of sale in the presale
 - i. If your project does not sell you have two options:
 - i. Retain ownership and select which CCISD approved processor will process the animal, complete the disposition form, page 27
 - ii. Floor the animal and receive market price

Barn Rules:

1. Complete a pen reservation application complete with exit plan per each project
2. Students with multiple projects could be subject to multiple duty stations
3. There are monthly Ag Facility Cleanups that are mandatory for all students who have animals in the barn. \$50 fine if you do not attend
4. Pen Reservation application
5. Ag Facility Penning Guidelines:
 - a. This has been in place since April
 - b. Last page in the rules
 - c. If space permits, students may have a max of 4 total pens assigned to them
 - d. As space becomes limited students will be required to stall animals in the least # pens possible
 - e. Priority will always be given to CCISD animals
